COMMISSION

Charleston, SC 29407

Dear Public Service Commission,

Family Medical Transport, LLC had applied for and received an order for a Class C Non Emergency Transportation in January of this year. The order was rescinded in July (see attached copies of both orders). Our company was unable to move forward with purchase of vehicles due to a health related issue of a key employee. Family Medical Transport, LLC is fully DHEC licensed Advanced Life Support ambulance company, who will be adding wheelchair service to existing clients. Our company is respectfully asking the Commission if they would reopen the Order and allow for inspection of the new vehicles and to begin operation after all insurance, administrative, inspection and any other required item from the Commission have been met. Thank you for the consideration in this matter, and please do not hesitate to call for any questions.
